

# SPSE Celebrates Its 25th Anniversary

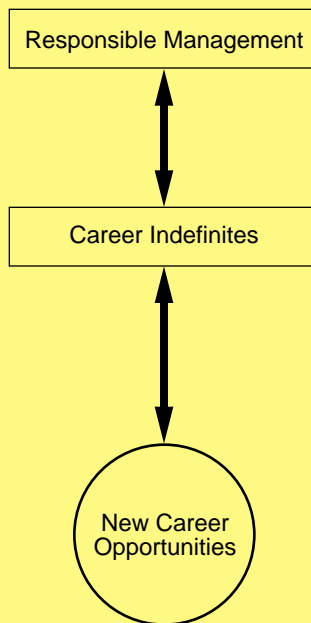

Drop by May 20th  Look for our balloons!

We'll be in the cafeterias during lunchtime.  
Meet some members, ask some questions, browse.  
Term employees are especially welcome.

After 25 years, employees still need a voice  
for the future.

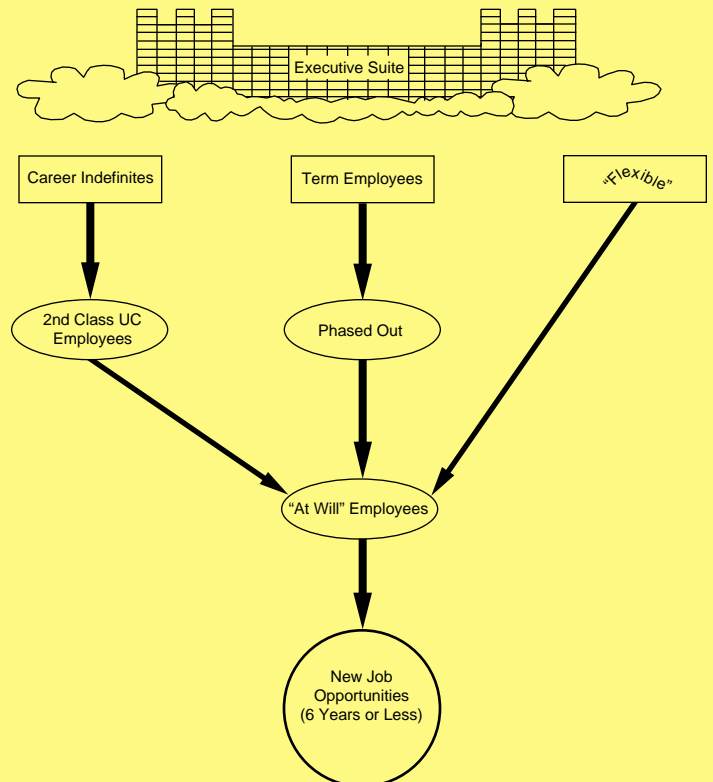

## SPSE's Vision

LLNL - 2000

## The Director's Vision\*

LLNL - 2000

\* Is this the "People Stuff" from the Director's last State of the Laboratory address?
