PROFESSIONAL  
AND TECHNICAL  
EMPLOYEES

Dear Congresswoman Tauscher:

CWA Local 9119  
AFL-CIO

Attached is a draft "Dear Colleague" letter for you to send to members of the California and New Mexico delegations to join in supporting the critical contribution to our country represented by the science produced by the national laboratories now managed by the University of California.

employees at the  
University of  
California

We appreciate your continued assistance in this effort to protect and improve the quality of the work environment at these laboratories. This is crucial to promote the recruitment and retention of quality, talented staff necessary to our national defense and homeland security interests.
