Are you worried about lay offs?

Do you fear losing your pension and medical benefits?

These are questions that all LLNL UC employees are asking themselves.

Change is inevitable and time is running out to make informed decisions.

SPSE is working hard to form collective bargaining units at LLNL.

Don't just wait until the inevitable happens, you can make a difference. Make the choice to voice your opinion and defend your employment through one collective body.

Join SPSE before the transition is complete.
